1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a customer of Carolina Water

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

We are paying much higher rates than our neighbors who are on Lexington water service. It seems unreasonable to request any type of increase in the state of the current economy and would place additional strains on our current situation. The company needs to research other alternatives or find other means of being more efficient just like other public companies and we have had to make. I protest any increase in rates.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *
(This section should be completed.)

I prefer not to make an appearance but will do so if it will help prevent any increase in rates.
